Approved studies

2002

“The Prevalence and Genome Sequence of Enterocytozoon Bineusi among Adults Admitted with Persistent Diarrhea in Mulago Hospital” Prof. James Tumwine

2004- 16 studies

“A situation analysis of the infrastructure of Ugandan Primary schools and education systems to promote oral health” Dr. Nkamba, Eriab Moses. IRB#-2004-002

“The current prevalence, nature and management of violence among adult psychiatric inpatients in Butabika and Mulago Hospitals” by Dr. Julius Emuron, Department of Medicine. September 10th, 2004. IRB#-2004-003

“Outcome of severely malnourished HIV-infected children admitted to the Mwanamugimbu Nutrition unit, Mulago Hospital” by Dr. Tumbu Paul, Department of Paediatrics and Child Health. November 26th, 2004. IRB#-2004-010

“Early versus Delayed Oral feeding after Laparotomy in Mulago hospital: A Randomized controlled trial” by Dr. Shafti M. K. Msechu, Department of Surgery

“Diameters of the Lumbar Vertebrae Canal in Adult skeletons at the Galloway Osteological Collection of Makerere University.” By Dr. Manyama Mange, Department of Anatomy, University Hospital, Makerere University. December 10th, 2004. IRB#-2004-014

“HIV Dementia in Uganda- response to highly active Antiretroviral Therapy” by Dr. Elly Katabira, Department of Medicine. 15th, December 2004. IRB#-2004-016

2005- 95 studies

“Prevalence and Factors associated with voluntary Counseling and testing by men in Bukonzo West, Kasese District” by Dr. Bwambale Mulekya, Clinical Epidemiology Unit, Department of Medicine. January 03rd, 2005. IRB#-2005-001

“Quality of Postnatal Care up to Discharge in Mulago” by Dr. Ogwang Alfred, Department of Obstetrics & Gynecology. January 03rd, 2005. IRB#-2005-004

“Superficial Post-operative Surgical wound infection rate in elective Orthopaedics patients in Mulago Hospital” by Dr. Otieno Oliver Soren, Department of Orthopaedics. January 10th, 2005. IRB#-2005-007
“Factors associated with Puerperal Sepsis, its Bacterial Pattern and Sensitivity in Mulago Hospital” by Dr. Ssebuko Arthur, Department of Obstetrics & Gynecology. January 10th, 2005. IRB#-2005-008

“The Histopathological types of Intracranial Tumours as seen in the department of pathology, University” by Dr. William Mutumba, Department of Pathology. January 13th, 2005. IRB#-2005-010

“Systemic Inflammatory Response Syndrome score trauma patients at admission as a predictor of Mortality and Length of stay in Mulago Hospital” by Dr. Gayi Michael, Department of Surgery. January 18th, 2005. IRB#-2005-011

“Levels and Factors associated with adherence to the PMTCT program by women in Katikamu North Health Sub-district Luwero District, Uganda” by Dr. Nakiwoga Alice, Clinical Epidemiology Unit Department of Medicine. January 18th, 2005. IRB#-2005-012

“The Orthopaedic Manifestations in Children with Myelomeningocele at Mulago Hospital” by Dr. Nyiro Francis, Department of Orthopaedics. January 18th, 2005 IRB#-2005-013

“A comparison of Sodium hypochlorite, N-acetyl-L-Cysteine Sputum concentration methods and Culture for diagnosis of Smear negative Pulmonary Tuberculosis suspects attending Mulago Hospital” by Dr. Omale William, Department of Medicine. January 18th, 2005. IRB#-2005-014

"Genital Human Papillomavirus Infection and Development of Squamous Intraepithelial Lesions in A Ugandan Female Adolescent and Young Women Population” by Mrs. Monica Rundgren, Department of Medical Epidemiology and Biostatistics, Karolinska Institutet. January 19th, 2005. IRB#-2005-015

“Effectiveness of Community Integrated Management of Childhood illness in prevention of diarrhoea among under five Children in Masaka District, Uganda” by Dr. Tugumisirize Florence, Clinical Epidemiology Unit Department of Medicine. January 19th, 2005. IRB#-2005-016

“The Clinical and Myological Outcome of AIDS associated Cryptococcal Meningitis in Mulago Hospital” by Dr. Isaac Lwanga, Department of Medicine. January 28, 2005. IRB#-2005-017

“The Short-Term Outcome of Head injuries secondary to Trauma in Adults in Mulago Hospital” by Dr. Olivia Kituuka, Department of Surgery. January 31st, 2005. IRB#-2005-018

“Prevalence and types of Chronic Suppurative Otitis Media among children aged 6 months to 5 years in slum dwelling of Kamwokya-Kifumba, Kampala District” Dr. Edioson Tahobari Babigamba, Department of E.N.T. February 9th, 2005. IRB#-2005-020

“Knowledge, Attitude and Practices about the Referral system among patients attending Mulago Hospital Kampala” by Dr. Sakor Moses, Department of Community Practice. February 11th, 2005. IRB#-2005-021

“Prevalence and short term outcome of Missed injuries in Mulago Hospital” by Dr. Ceaser Rex Okello, Department of Surgery. February 17th, 2005. IRB#-2005-022

“Human Herpesvirus-8 Replication and Progression to Kaposi’s sarcoma in a Hyperendemic Region.” By Dr. Christine Johnston, University of Washington School of Medicine. February 17th, 2005. IRB#-2005-023

“The presentation and Prevalence of Nephropathy among adolescents and Adults attending the sickle cell clinic in Mulago hospital” Dr. Simon Eleku, Department of Medicine. February 23rd, 2005. IRB#-2005-024

“Prevalence and Types of Rhinosinusitis in HIV patients attending the Adult Infectious disease Clinic at Mulago hospital.” By Dr. Abubaker Bugembe, Department of E.N.T. February 25th, 2005. IRB#-2005-025

“Contraceptive use, other factors and Timing of first Pregnancy among young females attending Jinja Hospital” by Dr. Kamya Ivan David, Department of Community Practice. February 25th, 2005. IRB#-2005-026

“A Randomized Clinical trial on Closed manipulation of Radial Fractures: The Safety and Efficacy of Hematoma Blocks versus intravenous Pethidine” by Dr. Agnes Wabule, Department of Anaesthesiology. February 28th, 2005. IRB#-2005-027

“Correlates of dietary intake and nutritional status of PLWHA receiving antiretroviral therapy at JCRC-Mengo” Mr. Bukusuba John, Faculty of Agriculture Department of Food Science & Technology. March 03rd, 2005. IRB#-2005-028

“Comparison of surface swab specimen culture with fine needle aspiration specimen culture in the bacteriological assessment of burn wounds” by Dr. Okao Patrick, Department of Surgery. March 04th, 2005. IRB#-2005-029

“Association of Renal Function with Heamatological indices in patients with sickle cell anaemia in Mulago Hospital sickle cell clinic” by Dr. Mbelwa Robert, Department of Physiology. March 7th, 2005. IRB#-2005-031
“Peanut Collaborative Research Support Program (pcrsp) Project on Aflatoxin Contamination” by Mr. Archileo N. Kaaya, Department of Food Science & Technology, Makerere University March 11th, 2005. IRB#-2005-032

“Sonographic Pattern of knee joint pathology at Mulago Hospital” by Dr. Wakamuke Elijah, Department of Radiology. March 14th, 2005. IRB#-2005-033

“An Audit on the quality of Intra-partum care offered to mothers for PMTCT program at Mulago Hospital” by Dr. Wagaba Francis, Department of Obstetrics & Gynecology. March 15th, 2005. IRB#-2005-034

“mtDNA Polymorphisms in three selected Ugandan populations” by Mr. Isabirye Dan, Department of Biochemistry, Makerere University. March 16th, 2005 IRB#-2005-035

“Initial Drug resistance to the essential anti-tuberculosis drugs in previously untreated newly diagnosed pulmonary tuberculosis patients attending Mulago Hospital” by Dr. Nantiba Josephine, Department of Medicine. March 18th, 2005. IRB#-2005-036

“Dose-ranging study to evaluate the safety and efficacy of Olmesrtan Medoxomil in children and adolescents with Hypertension” by Dr. Edison Muworozo, Department of Paediatrics, Faculty of Medicine, Makerere University. March 19th, 2005. IRB#-2005-037

“Incorporation of Traditional Practitioners in Decentrallised mental health care in the districts of Kampala, Wakiso, Rakai, and Ntungamo” by Mrs. Okello Elialilia, Department of Psychiatry Makerere University. March 29th, 2005. IRB#-2005-038

“Factors affecting Condom use among Refugees of Nakivale Refugee camp, Mbarara District Uganda” by Dr. Mutauza S, Department of Community Practice March 29th, 2005. IRB#-2005-039

“The Prevalence of HIV in Patients with Anorectal sepsis and its clinical pattern in Mulago Hospital” by Dr. Aluvaala Eliud Seme, Department of Surgery. April 04th, 2005. IRB#-2005-042

“Knowledge, attitudes, practices and Behaviour about sexually transmitted diseases among soldiers in Gulu army Barracks” by Dr. Oiko Ambrose, Department of Community Practice. April 04th, 2005. IRB#-2005-043

“Hot-spot mapping: A Quantitative approach for Geographic selection of areas of heightened HIV transmission on the Mombassa to Kampala transport corridor” by Dr. Alan Ferguson, University of Manitoba/University of Nairobi Collaboration. April 06th, 2005. IRB#-2005-046

“Prevalence and factors associated with a plastic crisis in Sickle cell anaemia children at Mulago Hospital” by Dr. Albert Kamugisha, Department of Paediatrics and Child Health. April 08th, 2005. IRB#-2005-047

“The potential of fortified precooked Matooke Flour as a vehicle food for malnutrition intervention” by Ms. Kanyago Miriam, Faculty of Agriculture Department of Food Science & Technology. April 14th, 2005. IRB#-2005-048

“Trial of a nutritional supplement for HIV Antibody Positive Patients at Mengo Hospital, Kampala-Uganda.” By Dr. Edith Namulema, Mengo Hospital. April 14th, 2005. IRB#-2005-049

“Prospective longitudinal study of interactions between HIV and Malaria in Ugandan Children” by Dr. Moses Kamya, Department of Medicine, MU-UCSF Malaria Research Collaboration. April 25, 2005. IRB#-2005-051

“Campylobacter Species isolates and their sensitivity pattern from children with acute Diarrhea at Mulago Hospital” by Dr. Muhsana Stephen, Department of Microbiology. April 28th, 2005. IRB#-2005-052

“Clinical outcome of Manual Dilatation of the Anus (MDA) for Ano fissure in Mulago Hospital” by Dr. Olupot Robert, Department of Surgery. April 28th, 2005 IRB#-2005-053

“Prevalence and Factors affecting the use of Insecticide treated Bed Nets among women attending antenatal Clinics in Jinja District” by Dr. Nabangi Charles, Department of Community Practice. May 07th, 2005. IRB#-2005-056

“RV-164-Determination of Laboratory Reference data using anonymous Blood Bank Donors” by Dr. Hannah Kibuka, Makerere University, Faculty of Medicine/Walter Reed Project. May 09th, 2005. IRB#-2005-057

“The distribution Mycobacteria Tuberculosis complex species among PTB patients presenting at the National Tuberculosis treatment centre Mulago Hospital, by PCR methods” by Dr. Candini Godfrey Mawa, Department of Microbiology. May 17th, 2005 IRB#-2005-058

“Blood transfusion practices in patients scheduled for elective surgery in Mulago Hospital” by Dr. Onen J.J Olwedo, Department of Anesthesiology. May 18th, 2005. IRB#-2005-059

“The Profile of Clinical Presentation of Spinal Dysraphism and Surgical Outcome in Cure Children’s hospital in Uganda” by Dr. Ocen Moses, Department of Surgery. May 18th, 2005. IRB#-2006-060

“Chronic massive splenomegaly in Kiboga Hospital; Clinical and laboratory Parameters and factors associated with Hyper-reactive malarial splenomegaly” by Dr. Wabwona George, Department of Medicine. May 19th, 2005. IRB#-2005-061

"Outcomes of palliative care in Uganda-identifying important domains for assessing the outcomes of palliative care in an African” by Dr. Karen Laura Frame, Distance learning Department Hospice Africa Uganda Monday, May 23rd, 2005. IRB#-2005-062

“A Randomized Clinical study to compare Radical concomitant Chemo-radiation against Radical radiotherapy alone as treatments of Carcinoma of the uterine cervix FIGO stages Ib to IIIb in HIV infected patients.” by Dr. Kigula Mugamba, Department of Radiotherapy, Faculty of Medicine Makerere University May 23rd, 2005. IRB#-2005-063

“Dental Diseases and Dental Health Behaviours among adults of Kalungu East County, Masaka District” by Dr. Jane Frances Namatovu, Department of Community Practice. May 23rd, 2005. IRB#-2005-064

“A School based assessment of the Effectiveness Of awareness campaigns about child and adolescent Mental Health” by Dr. Emilio Ovuga, Department of Psychiatry. June 02nd, 2005. IRB#-2005-065

“Quality of Stavudine/Lamuvudine/Nevirapine fixed dose combination tablet formulations at selected district Hospitals” by Dr. David Musoke Department of Pharmacology. June 2nd, 2005. IRB#- 2005-067

“Autopsy study on maternal Deaths in Mulago Hospital” by Dr. Richard Wandira, Department of Pathology. June 02nd, 2005. IRB#-2005-068
“Safety and efficacy of exclusive Breastfeeding Promotion in an African Setting with a high Prevalence of HIV” by Professor James Tumwine, Department of Paediatrics Faculty of Medicine Makerere University. June 11th, 2005. IRB#-2005-069

“Prevalence of Hypotension following spinal anaesthesia in Pre-loaded parturients undergoing caesarean section at Mulago Hospital” by Dr. Kyewalyanga Jennifer, Department of Anaesthesiology. June 11th, 2005. IRB#-2005-070

“Utilization of traditional Herbal Medicine among women attending antenatal clinics in Mulago Hospital” by Dr. Kamara Denis, Department of Community Practice. July 19th, 2005 IRB#-2005-071

“The Histopathological features of the bone arrow in HIV/AIDS patients as seen at autopsy in Mulago hospital, Kampala Uganda” by Dr. Susan Nabada, Department of Pathology. July 19th, 2005. IRB#-2005-072

“The Prevalence, Patterns and Factors associated with Alcohol-Related Disorders in Mulago Hospital Accident and Emergency Department” by Dr. Alibusa Seddie, Department of Psychiatry. August 12th, 2005. IRB#-2005-073

“The prevalence and pattern of Joint disease in HIV positive adults attending the adult infectious disease clinic at Mulago Hospital” by Dr. Kaddumukasa Mark, Department of Medicine. August 18th, 2005. IRB#-2005-074

“Amphotericin B associated Nephrotoxicity in HIV/AIDS patients treated for Cryptococcal Meningitis on Mulago Medical wards” Dr. Kiweewa Francis, Department of Medicine. August 18th, 2005. IRB#-2005-075

“Comparison of rectal diazepam to Buccal Midazolam in treatment of prolonged convulsions in children at Mulago Hospital” by Dr. Arthur Mpimbaza, Department of Paediatrics and Child Health. September 01st, 2005. IRB#-2005-078

“The Pattern of Pulmonary diseases in HIV positive patients: A Cytopathological Study of Sputum from patients presenting at Mulago Hospital” by Dr. Victoria Nekesa, Department of Pathology. September 01st, 2005. IRB#-2005-079

“Histological Microstaging of Cutaneous Malignant Melanoma in Ugandan patients” at Mulago Hospital” by Dr. Kahima Jackson Kahima, Department of Pathology. September 02nd, 2005. IRB#-2005-080
“Efficacy of Proximal Static versus dynamic Antegrade SIGN Nailing of Closed Diaphyseal Femur fractures at Mulago Hospital” by Dr. Cyril Ilho Moyo, Department of Orthopaedics. September 02nd, 2005. IRB#-2005-081

“P53 expression in Colorectal Carcinoma in relation to Histo-pathological features in Ugandan African Population” by Dr. Rambau Peter, Department of Pathology. September 14th, 2005. IRB#-2005-082

“Prevalence, Causes and Immediate Outcome of Non-Traumatic Coma among Children Admitted to the Acute Care Unit of Mulago Hospital” by Dr. Kivumbi Rebecca, Department of Paediatrics and Child Health. September 26th, 2005. IRB#-2005-083

“Pathological diagnosis of pulmonary diseases using sputum cellblocks in HIV positive patients in Mulago Hospital” by Dr. Victoria Nekesa, Department of Pathology. September 26th, 2005. IRB#-2005-084

“Prevalence and Clinical presentation of Congenital Clubfoot amongst Babies delivered in Mulago Hospital” by Dr. Robert Ayella, Department of Orthopaedics. October 11th, 2005. IRB#-2005-086

“Prevalence and Factors Associated with Discontinuation and Modification of Highly Active Antiretroviral Therapy among HIV-positive People in Kampala.” By Mr. Ronald Kiguba, Clinical Epidemiology Unit, October 17th, 2005. IRB#-2005-087

“Reliability of the revised New WHO Paediatric clinical staging in predicting severe immune suppression in the HIV infected children in Kampala” by Dr. Scarlet Mubokyi, Department of Paediatrics and Child Health. October 21st, 2005. IRB#-2005-088

“Post-operative Myalgia Following Caesarean Section At Mulago Hospital: A Randomized Controlled Trial Comparing Suxamethonium and Rocuronium” by Dr. Nangamba Ronald, Department of Anaesthesiology. October 26th, 2005. IRB#-2005-90

“Nasopharyngeal carriage and antimicrobial resistance pattern of Streptococcus Pneumoniae and Haemophilus influenzae among children six months to three years of age in Kampala Uganda.” By Dr. Moses Joloba, MU-Case Western Reserve University research Collaboration. November 15th, 2005. IRB#-2005-091
"Phytochemical Investigation of Some Plants Used As Antimalarial in Mbarara District, Western Uganda.” by Ms. Esther Katura’ November 15th, 2005. IRB#-2005-092

“Bacterial Aetiology and outcomes of Severe Pneumonia among Children aged 2-59 months seen in Acute care Unit, Mulago Hospital” by Dr. Rebecca Nantanda, Department of Paediatrics. November 29th, 2005. IRB#-2005-092

“Prevalence and Factors Associated with Tuberculosis Infection among Primary School Children in Kawempe Division, Kampala District” by Dr. Charles P. Namisi, Department of Pediatrics and Child Health. December 19th, 2005. IRB#-2005-093

“A pilot study of low dose Erythropoietin in the management of HIV associated anaemia” by Dr. Francis Ssali, Joint Clinical Research Centre, P. O. Box 10005, Kampala. December 29th, 2005. IRB#-2005-095

2006-122 studies

“Effects of Intravenous Morphine on physical examination findings in patients with clinically suspected, acute appendicitis” by Dr. Juma Sefu Uledi, Department of Surgery. January 02nd, 2006. IRB#-2006-001

“The ocular manifestations of Thyrotoxicosis among patients in Mulago hospital” Dr. Apio Elizabeth, Department of Ophthalmology. January 03rd, 2006. IRB#-2006-002

“Factors that influence utilization of HIV voluntary counseling and testing by the youth in Mpigi district” by Dr. Nkalubo Mohamed, Department of Community Practice. January 03rd, 2006. IRB#-2006-003

“Fertility decision making and coping mechanisms in HIV positive young people in Kampala district, Uganda” by Dr. Beyeza Jolly Kashesya. January 05th, 2006. IRB#-2006-005

“Helicobacter Pylori infection during Pregnancy: Influence on the efficacy of the anemia intervention package” A Study in Rakai District by Rhona Baingana, Department of Biochemistry, Faculty of Science. January 09, 2006. IRB#-2006-006

“Factors affecting the Outcome of Burn injury patients admitted to Mulago hospital” Dr. Philipo Leo Chalya, Department of Surgery. January 12<sup>th</sup>, 2006. IRB#-2006-008

“Prevalence and factors associated with adverse events among HIV positive adults on highly active antiretroviral therapy in Kampala” by Ms. Loi Gwoyita, Clinical Epidemiology Unit Department of Medicine January 13<sup>th</sup>, 2006. IRB#-2006-010

“The Prevalence and Factors associated with Erectile dysfunction in adult diabetic patients attending New Mulago Hospital Diabetic clinic” by Dr. Lumu William, Department of Medicine. January 13<sup>th</sup>, 2006. IRB#-2006-0101

“Associated factors and early treatment outcomes of Postoperative pyrexia following major surgery in Mulago Hospital” by Dr. Ntakikyiruta Georges, Department of Surgery. January 13<sup>th</sup>, 2006. IRB#-2006-012

“Bacteriology, Sensitivity and Histological patterns of chronic Primary Osteomyelitis in Patients seen at Mulago Hospital” by Dr. Magada Samuel Department of Orthopaedic Surgery. January 13<sup>th</sup>, 2006. IRB#-2006-013

“Electro surgical incision versus conventional scalpel incision in midline laparotomy in Mulago (A randomized trial)” by Dr. T. Sreedevi, Department of Surgery. January 25<sup>th</sup>, 2006 IRB#-2006-014

“Glucose tolerance among Non-diabetic hypertensives attending hypertension clinic in Mulago Hospital” by Dr. Mutebi Edirisa, Department of Medicine. January 30<sup>th</sup>, 2006. IRB#-2006-015

“The Effect of Gestation Age at Booking on Fetal/Maternal Outcome of Labour among Adolescents in Lower Mulago” by Dr. Zaake Daniel, Department of Obstetrics & Gynaecology. February 7<sup>th</sup>, 2006. IRB#-2006-018

"Factors associated with Multi-drug resistant Tuberculosis among TB retreatment patients attending Mulago TB clinic" by Dr. Asiimwe Alice Rwego, Clinical Epidemiology Unit, Department of Medicine. February 9<sup>th</sup>, 2006 IRB#-2006-019.
“A Comparative study of Napthoquine+artemisinins (ARCO™) and Artemisinin-Lumefantrine COARTEM in the treatment of uncomplicated Malaria in Patients aged 16-60 years attending Mulago Hospital, Kampala, Uganda” by Dr.Edison Muworozi, Department of Paediatrics, Faculty of Medicine Makerere University. February 10th, 2006. IRB#-2006-020

Factors contributing to the low use of Intrauterine devices among women in Kampala, Mukono and Mpigi districts” by Dr. Habomugisha Godfrey, Department of Obstetrics and Gynaecology. February 27, 2006. IRB#-2006-021

“The pattern of sonographic findings of blunt abdominal trauma at Mulago hospital” by Dr. Bugeza Samuel, Department of Radiology. 10th February, 2006. IRB#-2006-022

“Pharmacovigilance and antimalarial treatment in Uganda: A pilot surveillance system.” By Dr. Sarah Staedke, MU-UCSF Malaria Research Collaboration. February 14, 2006. IRB#-2006-024

“Prospective Longitudinal Study of Interactions between HIV and Malaria in Ugandan Children” by Dr. Moses Kamya, MU-UCSF Malaria Research Collaboration, P.O. Box 7475 Kampala, Uganda. February 14th, 2006 IRB#-2006-026.

"Prevalence and factors associated with caretaker perceived treatment failure in Home Based Management of Fever for under-fives in Rakai district" by Mr. Malimbo Mugagga, Clinical Epidemiology Unit, Department of Medicine. 17th February, 2006. IRB#-2006-027

Factors contributing to the low use of Intrauterine devices among women in Kampala, Mukono and Mpigi districts” by Dr. Habomugisha Godfrey, Department of Obstetrics and Gynaecology. February 27, 2006. IRB#-2006-028

“Effects of neem (Azadirachta indica) on vascular development in chick embryo area vasculosa”by Joseph K. Kweri, Department of Human Anatomy. February 28th, 2006 IRB#-2006-029

"Patterns of Road traffic injuries in five regions of Uganda” by Dr. Catherine Nansamba, Clinical Epidemiology Unit, Department of Medicine. March 01st, 2006 IRB#-2006-033

"The efficacy, adverse events and cost-effectiveness of Chlorpromazine and Promethazine in managing Hyperemesis gravidarum in Mulago and Jinja Hospitals” by Dr. Anthony Okoth Ndira, Clinical Epidemiology Unit, Department of Medicine. March 01st, 2006 IRB#-2006-034

“Plasmodium falciparum Gene structural diversity in mild and severe Malaria of Children” by Dr. Kiwuwa Stephen Mpungu March 08, 2006. IRB#-2006-035

“The bioavailability of Rifampin and Efavirenz in Ugandan patients co-infected with HIV and TB receiving concomitant Antiretroviral and anti-TB therapy.” By Mr. Mukonzo Jackson. March 09 2006. IRB#-2006-036

“Prevalence of Toxoplasma gondii infection by PCR and Agglutination among adult HIV patient in Mulago Hospital” by Dr. Erima Bernard, Department of Microbiology. March 15th, 2006. IRB#-2006-037

“Vaccine safety among parents in developing countries and influence of adverse events following immunization (AFFI) on their decision to vaccinate children.” By Dr. Issa Makumbi, UNEPI/ Ministry of Health Uganda. March 16, 2006. IRB#-2006-038

“Prevalence and predictors of Group B Streptococcal anogenital colonization among pregnant women between 35-37 weeks gestation in Mulago Hospital” by Dr. .Muyingo Mark Tamusange, Department of Obstetrics and Gynaecology. March 27th, 2006. IRB#-2006-040

“Quality of immediate postnatal care received by mothers who deliver stillbirths in Mulago hospital” by Dr. John Oumo Ekunait, Department of Obstetrics and Gynaecology Makerere University. March 27th, 2006. IRB#-2006-041

“The Role of Ultrasound guided core biopsy in the management of palpable solid breast masses at Mulago hospital” by Dr Crescent Max Tumusiime, Department of Radiology Makerere University, Kampala. March 27th, 2006. IRB#-2006-042

“Utility of Rapid Diagnostic tests (RDTs) for Malaria in Kampala, Uganda by Dr. Heidi Hopkins, MU-UCSF Malaria Research Collaboration, Department of Medicine. April 04th, 2006. IRB#-2006-044

“A randomized clinical trial comparing Pethidine and Lignocaine during Manual vacuum aspiration procedure was at new Mulago hospital” by Dr. Kamau Maina James, Department of Obstetrics & Gynecology. April 04th, 2006. IRB#-2006-045

“Caretaker perspectives on Quality of Anti-Malaria services for fewer than fives: development of a care takers ‘Quality of care Assessment tool” by Mr. John Frank Mugisha, Regional Centre for Quality of Healthcare -Institute of Public Health Makerere University. April 04th, 2006. IRB#-2006-046

“Fetal outcome and associated risk factors in pre-eclampsia/Eclampsia in mothers who deliver in Mulago hospital by Dr. Sr. Achora Vicentina, Department of Obstetrics & Gynecology. April 18th, 2006. IRB#-2006-047

“Utility of Rapid Diagnostic tests (RDTs) for Malaria in Kampala, Uganda” by Dr. Heidi Hopkins, MU-UCSF Malaria Research Collaboration, Department of Medicine. April 18th, 2006. IRB#-2006-049

“Reliability of multiplex PCR method in detection of methicillin resistance- and Panton-Valentine Leukocidin genes in S. aureus” by Freddie Bwanga, Department of Medical Microbiology. April 24th 2006. IRB#-2006-50

“Factors associated with redundant sigmoid colon in Mulago Hospital, Uganda” by Dr. Gerald Tumusiime, Department of Surgery Makerere University. April 28th, 2006. IRB#- 2006-051

“Clinical and Immunological Markers of Virological failure in patients taking anti-retroviral therapy at Joint Clinical Research centre” by Dr. Atwine Diana, Department of Medicine. May 23rd, 2006. IRB#-2006-052

“Prevalence, clinical features and outcome of Delirium among medical admission to the medical emergency ward of Mulago Hospital” by Dr. Asuman Lukwago, Department of Medicine. May 23rd, 2006. IRB#-2006-053

“Tuberculosis Immunity in Children” by Dr. Sarah Kiguli, Department of Pediatrics/ Oregon Health and Science University Research Collaboration. May 29th, 2006. IRB#-2006-054
“A randomized controlled trial comparing the effectiveness of Artemether/Lumefantrine and Chlorguanil –Dapsone in the treatment of uncomplicated Malaria in Pregnancy in Mulago Hospital” by Dr. Nshemereirwe Ruth, Department of Obstetrics & Gynecology. May 31st, 2006. IRB#-2006-055

"Cytogenesis, outcome predictors of Non- Hodgkin’s lymphoma and association with HIV, EBV and HHV8 in Uganda” by Dr. Lynette Kyokunda Tumwine June 12, 2006. IRB#-2006-057

“Missed opportunities for intermittent presumptive treatment (IPT) use and Placental Malaria in Mulago National Referral Hospital” by Dr. Ajeani Judith, Department of Obstetrics & Gynecology. June 15th, 2006. IRB#-2006-058

“Prevalence of anemia and treatment outcome in congestive heart failure patients attending Mulago hospital” by Dr. Kuule Julius Kabbali, Department of Medicine. June 16th, 2006. IRB#-2006-060

“The impact of educational training for nurses providing Care in Uganda.” by Ms. Jean Groft, University Of Alberta Edmonton, Canada June 21, 2006. IRB#-2006-061

“In vitro antimycobacterial activity of extracts of some medicinal plants used by traditional healers to treat tuberculosis in Western Uganda”by Mr. Kirimuhuzya Claude, Department of Pharmacology and Therapeutics. June 22nd, 2006. IRB#-2006-062

“Prevalence and types of cognitive impairment among patients with stroke attending Mulago Hospital” by Dr. Mukisa Robert, Department of Medicine. June 26th, 2006. IRB#-2006-063

“The incidence, management, and outcomes of patients admitted to the medical wards of a National and Regional referral hospital in Uganda.” By Dr. David Meya, Infectious Disease Institute, Makerere University. July 03, 2006. IRB#-2006-064

“Description of stroke subtypes and major associated risk factors among adult stroke patients at Mulago Hospital” by Dr. Nakibuka Jane, Department of Medicine. July 03rd, 2006. IRB#-2006-065

“Susceptibility of Plasmodium falciparum isolates from patients presenting with uncomplicated malaria at Mulago hospital to selected antimalarial drugs” by
Nakaziba Rebecca, Department of Pharmacology and Therapeutics. July 06th, 2006. IRB#-2006-066

“Prevalence and factors affecting exclusive breastfeeding among mother-infant pairs in Kawempe Division, Kampala District” by Dr. Oyang William, Department of Paediatrics and Child Health. July 06th, 2006. IRB#-2006-067

“Relationship between Plasma levels of Stavudine, CD4 counts and self reported Adherence to Triomune in HIV/AIDS patients in Mulago Hospital, Uganda” by Mr. Balikuddembe Robert, Department of Pharmacology. July 28th, 2006. IRB#-2006-069

“Hepatitis B virologic response to tenofovir (Truvada™) versus Lamivudine in patients on antitetroviral therapy at the infectious Disease Clinic, Kampala, Uganda.” By Dr. Ponsiano Ocama. August 4th, 2006. IRB#-2006-070

“Sonographic measurement of normal liver, spleen and kidneys in healthy primary school pupils in Kampala district, Uganda” by Dr Okello-Omara Richard, Department of Radiology Mulago Medical School. August 8th, 2006. IRB#-2006-071

“Association of HIV infection and cerebral malaria in children aged 18-59 months attending Mulago Hospital” by Dr Peace Dorothy Imani, Department of Paediatrics, Mulago Medical School. August 09th, 2006. IRB#-2006-072

"Factors affecting adherence to chloroquine prophylaxis for malaria among children with sickle cell anemia in Mulago hospital" by Dr Nalunkuma Cissy, Department of Paediatrics and Child Health, Mulago Medical School. August 10th, 2006. IRB#-2006-073

“The Adverse effects of First-line (AZT/3TC/NVP) and second-line (D4T/ddI/NLF) Regimens Experienced by Mothers on Mothers on PMTCT/MTCT-Plus Programme in Uganda” by Sr. Justine Birungi, Department of Pharmacology, Mulago Medical School. August 24th, 2006. IRB#-2006-074

“Aetiology and Antimicrobial Susceptibility Pattern of Pyoderma in Children presenting to Mulago Hospital” by Dr Joyce N Balagadde, Department of Paediatrics Mulago Medical School. August 24th, 2006. IRB#-2006-075

“The Efficacy of Zinc as Adjunct Therapy in the Treatment of Severe Pneumonia in Children admitted to Mulago Hospital” by Maheswari Srinivasan, Department of Paediatrics Mulago Medical School. August 24th, 2006. IRB#-2006-076

“Comparative study of frequency, types and patterns of psychiatric disorders among war casualties and non-casualties in the Uganda People’s Defence Forces” by Dr Patrick Ocen, Department of Psychiatry Mulago Medical School. August 24th, 2006. IRB#-2006-077

“Ceftriaxone versus Chloramphenicol for the treatment of Severe forms of Pneumonia in Children in Mulago Hospital: A Randomized Controlled Trial” by Dr Katureebe
“Risk factors for Protein Energy Malnutrition among Children living in Internally Displaced People’s Camps in Omoro County, Gulu District” by Dr Mary Abwola Olwoedo, Department of Paediatrics Mulago Medical School. August 25th, 2006. IRB#-2006-078

“Interactions between HIV and malaria at multiple sites in Uganda” by Dr. Anne Gasasira, MU-UCSF Research Collaboration. August 29th, 2006. IRB#-2006-079

“Early Results of Early Hip Spica Cast and Skin Traction in the Treatment of Paediatric Femoral Diaphyseal Fractures in Mulago Hospital: A Randomized Clinical Trial” by Dr. Edward Wefula, Department of Orthopaedics Mulago Medical School .September 5th, 2006. IRB#-2006-082

“Urinary Tract Infection among Women Attending Mulago Hospital Assessment Centre: Prevalence, Aetiology and Antimicrobial Susceptibility Profiles” by Dr. Amos Deogratius Mwaka, Department of Medicine, Mulago Medical School. September 5th, 2006. IRB#-2006-083

“Frequency, Types and Associated Factors of Psychiatric Disorders among Adolescents in Conflict with the Law in Kampala District” by Dr Sylvia Nshemerirwe, Department of Psychiatry Mulago Medical School. September 19th, 2006. IRB#-2006-084

“Prospective Study of the Relationship between HIV-1 Subtype and Antiretroviral Response (Relates) in Ugandan Children” by Dr Sabrina Bakeera-Kitaka’s Paediatric IDC. September 22nd, 2006. IRB#-2006-085

“Hepatitis B Virologic Response to Tenofovir and Emtricitabine (Truvada™) versus Lamivudine in Patients on Antiretroviral Therapy at the Infectious Diseases Clinic, Kampala, Uganda” by Dr Ponsiano Ocama, Department of Medicine Mulago Medical School. September 22nd, 2006. IRB#-2006-086

“Prevalence and types of Mental Illness among Adult Patients attending the HIV/AIDS Clinic of Kisoro District” by Dr Yesero Kalisa, Department of Psychiatry. September 27th, 2006. IRB#-2006-087

“Factors associated with Postoperative Nausea and Vomiting at Mulago Hospital” by Dr Robinson Ssebuufu, Department of Surgery. September 27th, 2006. IRB#-2006-088

“Assessing Sexual Risk Reduction Needs of Adolescents Living with HIV in a Clinical Care Setting” by Dr Nicolette Nabukeera, Department of Paediatrics .September 27th, 2006. IRB#-2006-089
“Presumptive treatment with Sulphadoxine-Pyrimethamine versus weekly Chloroquine for Malaria Prophylaxis in Children attending Sickle Cell Clinic in Mulago Hospital” by Dr Victoria Nakibuuka, Department of Paediatrics. September 27, 2006. IRB#-2006-090

“Malignant Transformation in Intra Oral Papillary Lesions Diagnosed in the Department of Pathology, Faculty of Medicine, Makerere University, Kampala” by Dr Moses Isyagi, Department of Pathology. September 27, 2006. IRB#-2006-091

“Maternal Oral Health Status, Nutrition and Development of Early Childhood Dental Caries (ECC): A Birth Cohort Study of Infants in Mbale, Uganda” by Dr. Margaret Wandera, University Hospital, Makerere University. September 27th, 2006. IRB#-2006-092

“Pharmacokinetics and Interactions of Antimalarial and Antiretroviral Medications in Ugandan Children” by Dr. Francesca Aweeka, MU-UCSF collaboration. October 02nd, 2006. IRB#-2006-093

Genetic Resistance to Malaria and Risk of Endemic Burkitt Lymphoma” by Dr Henry Wabinga, Department of Pathology. October 02nd, 2006. IRB#-2006-094

“Fansidar Intermittent Presumptive Treatment Relation with Neonatal and Maternal Malarial Immunity, Multiplicity of Infection and Gametocytaemia at Delivery” by Dr Fatuma Namusoke, Department of Obstetrics and Gynaecology. October 04th, 2006. IRB#-2006-095

“Monitoring and Evaluation of the Decentralization of Paediatric HIV Care and Treatment in Kampala, Uganda” by Dr. Susan A. Kelly, Baylor College of Medicine Children’s Foundation-Mulago Hospital PIDC. October 04th, 2006. IRB#-2006-096

“Prevalence and Factors Associated with Moderate to Severe Anaemia in HIV Infected Children Admitted to Mulago Hospital” by Dr. Mary Munyagwa, Department of Paediatrics and Child Health. October 12th, 2006. IRB#-2006-097

“Clinical Profile and Antimicrobial Susceptibility of Pneumococcal Bacteria among Febrile Adults Admitted to the Emergency Medical Ward at Mulago Hospital” by Dr. Grace A. Namayanja, Department of Internal Medicine. October 12th, 2006. IRB#-2006-098

“The Efficacy of Artemether- Lumefantrine Therapy and Assessment of Possible Molecular Markers of Resistance in Uganda” by Dr. Hakim Sendagire, Department of Biochemistry. October 13th, 2006. IRB#-2006-099

“Longitudinal Comparison of Combination Antimalarial Therapies in Ugandan Children: Evaluation of Safety, Tolerability and Efficacy” Dr. Moses Kamya, MU-UCSF Malaria Research Collaboration, Department of Medicine. October 17th, 2006. IRB#-2006-100

“The Value of Transrectal Ultrasound Core Biopsy in Patients Suspected to have Cancer of the Prostate at Mulago Hospital” by Dr. Denis Acullu, Department of Radiology. October 19th, 2006. IRB#-2006-101
“Prevalence and Risk Factors for Rotavirus Infection among Children Admitted with Acute Diarrhoea in Mulago Hospital” by Dr. Jane Nakawesi, Department of Paediatrics and Child Health. October 19th, 2006. IRB#-2006-102

“Prevalence of Methicillin Resistant Staphylococcus Aureus (MSRA) in surgical site infections in surgical wards in Mulago Hospital complex” by Dr. Julius Ojulong, Department of Microbiology. October 19th, 2006. IRB#-2006-103

“Ultrasound Guided Needle Aspiration versus Surgical Drainage in Management of Breast Abscesses in Mulago Hospital” by Dr. Chandika Alphonce, Department of Surgery. October 26th, 2006. IRB#-2006-104

“Lactose Intolerance among Severely Malnourished Children with Diarrhoea Admitted to the Nutrition Unit, Mulago Hospital” by Dr Richard Nyeko, Department of Paediatrics. October 31st, 2006. IRB#-2006-105

“The Role of Liver Function Tests in Monitoring Antiretroviral Therapy Associated Hepatotoxicity in Patients in Mulago Hospital AIDS Clinics” by Dr. Robert Kalyesubula, Department of Medicine. October 31st, 2006. IRB#-2006-106

“Prehospital Management of Patients with Severe Musculoskeletal Injuries Presenting to Mulago Hospital” by Dr Tobias Otieno Ondiek, Department of Orthopedics. October 31st, 2006. IRB#-2006-107

“Barriers to Timely Initiation of Antiretroviral Therapy among HIV Infected Children Admitted to Mulago Hospital Paediatric Wards” by Dr. Eleanor Namusoke, Department of Paediatrics. November 02nd, 2006. IRB#-2006-108

“Clinical Outcomes following Elective Day Care Primary Inguinal Hernia Repair in Mulago Hospital: A Case Series” by Dr. Alphonsus Matovu, Department of Surgery November 02nd, 2006. IRB#-2006-109

“Prevalence and Factors Associated with Conception while knowing Serostatus among HIV Positive Women in Mulago Hospital” by Dr. Peter Kisakye, Department of Obstetrics and Gynaecology. November 02nd, 2006. IRB#-2006-110

“A Randomized Clinical Trial Comparing Artesunate/Amodiaquine with Coartem in Treatment of Uncomplicated Malaria in Pregnancy in Mulago Hospital” by Dr. Charles Lukanga Kimera, Department of Obstetrics and Gynaecology. November 24th, 2006. IRB#-2006-112

“Prevalence and Risk Factors for Hepatitis B among Children Admitted in Mulago Hospital” by Dr. Jane Frances Nanteza, Department of Paediatrics. November 24th, 2006. IRB#-2006-113

“Adherence and Associated Factors to Postnatal Follow-up in the Prevention of Mother To Child Transmission of HIV Program at Mulago Hospital” by Dr. Mercy Nassali, Department of Obstetrics and Gynaecology. December 11\textsuperscript{th}, 2006. \textbf{IRB\#-2006-115}

“Hand Injuries at Mulago Hospital: The Patterns and Early Outcome” by Dr. Patson Makobore, Department of Surgery. December 11\textsuperscript{th}, 2006. \textbf{IRB\#-2006-117}

“Researchers’ Knowledge and Attitude about Makerere Faculty of Medicine Research and Ethics Committee (REC)” by Dr. Charles Ibingira, Department of Anatomy. December 13, 2006. \textbf{IRB\#-2006-118}

“Association between Cancer of Cervix and HIV Infection in Tanzania Women: A Case-Control Study” Dr. Crispin Kahesa, Clinical Epidemiology Unit. December 15\textsuperscript{th}, 2006. \textbf{IRB\#-2006-119}

“Clinical Pattern, Prevalence and Factors Associated with Immune Reconstitution Syndrome in Children on HAART Attending Joint Clinical Research Centre” by Dr. Judy Orikiiriza, Department of Paediatrics and Child Health. December 20\textsuperscript{th}, 2006. \textbf{IRB\#-2006-120}

“Cariogenic mutans streptococci: prevalence, antibiotic susceptibility, and molecular basis of resistance to Co-trimoxazole at Mulago Hospital Dental Clinic” Dr. William Buwembo. December 20, 2006. \textbf{IRB\#-2006-121}

“Seroprevalence and Associated Factors for HBV Infection among Parturients in Lower Mulago” by Dr. Herman Musoke Ssewagudde, Department of Obstetrics and Gynaecology. December 20\textsuperscript{th}, 2006 \textbf{IRB\#-2006-122}

\textbf{2007- 118 studies}

“Validation of the new WHO Diagnostic Algorithm for Pulmonary Tuberculosis in HIV prevalent settings” by Dr. Janine Thoulass, Department of Medicine. January 04\textsuperscript{th}, 2007. \textbf{IRB\#-2007-001}

“Treatment and Outcomes of Children with Negative Malaria Smears at Aduku, Kibihi and Nagongera Health Centres” by Dr. Joaniter Nankabirwa, Department of Medicine. January 04\textsuperscript{th}, 2007. \textbf{IRB\#-2007-002}

“Prevalence and Duration of False-Positive HIV Test results in Acute Malaria in Children” by Dr. Denise Njama-Meya, MU-UCSF. January 05\textsuperscript{th}, 2007. \textbf{IRB\#-2007-003}

“Factors Influencing the Uptake of Voluntary Counseling and Testing at Kisiizi Hospital, Rukungiri District: A Case-Control Study” by Ms. Mary Dutki, Clinical Epidemiology Unit. January 05\textsuperscript{th}, 2007. \textbf{IRB\#-2007-004}
“Effect of Non-adherence to Antiretroviral Therapy on Mortality and Survival of HIV/AIDS Patients in TASO, Uganda” by Mr. Andrew Max Abaasa, Clinical Epidemiology Unit. January 16th, 2007. IRB#-2007-005

“A Comparison of Aspiration and Non-Aspiration Fine Needle Techniques in Providing Standard Amount of Follicular Cells for Cytodiagnosis of Thyroid Nodules at Mulago Hospital” by Dr. James Nyonyintono, Department of Surgery. January 18th, 2007. IRB#-2007-007

“Prevalence and Factors Associated with Brucellosis among Abattoir Workers in Kampala and Mbarara Districts, Uganda” by Dr. Immaculate Nabukenya, Clinical Epidemiology Unit. January 22nd, 2007. IRB#-2007-009

“Ceftriaxone versus Cloxacillin/Gentamicin for Prophylaxis against Surgical Site Infection following Surgery on Closed Long Bone Fractures in Mulago Hospital” by Dr. Samuel Githiomi Maina, Department of Orthopaedics. January 23rd, 2007. IRB#-2007-011

“Accuracy of Rapid Tests as Compared with Field Microscopy for the Diagnosis of Malaria in Adolescents and Adult Patients in Mulago Hospital” Dr. Simon Luzige, Department of Medicine. January 30th, 2007. IRB#-2007-012

“Mulago In-patient Non invasive Diagnosis of Pneumonia (MIND) Study” by Dr. William Worodria, Department of Medicine. February 08th, 2007. IRB#-2007-014

“Acceptability and intention to use family planning methods among HIV-positive mothers during the post-natal period at Mulago Hospital, Kampala, Uganda” by Ms. Sarah Gutin, Department of Obstetrics and Gynaecology. March 05th, 2007. IRB#-2007-015

“To evaluate the effects of vitamin C & E supplements in pregnancy on pre eclampsia in Mulago Hospital, Kampala, Uganda.” By Dr. Paul Kiondo. March 05th, 2007. IRB#-2007-016

“HIV Disease Severity and the Pharmacokinetics of Antiretroviral Drugs: Comparison of the Pharmacokinetics in Different Disease Seveories as a Possible
Explanation for Poor Clinical Outcome.” By Dr. Sarah Nanzigu. March 05th, 2007. IRB#-2007-017

“Early results of Accelerated versus Convectional Ponseti Method, in the Treatment of Idiopathic Clubfoot as seen in Kampala” by Dr. Isidor Ngayomela, Department of Orthopedics. March 06th, 2007. IRB#-2007-018

“Testosterone Profile in Healthy Ugandan Men in Faculty of Medicine.” By Ms. Miriam Nansunga, Department of Physiology. March 06th, 2007. IRB#-2007-019

“Beliefs about Type 2 Diabetes Mellitus in Ugandan Adults” by Ms.Gorrette Nalwadda, Department of Nursing. March 06th, 2007. IRB#-2007-020

“Testosterone Profile in Healthy Ugandan Men in Faculty of Medicine.” By Ms. Eva Namisango, Department of Physiology. March 07th, 2007. IRB#-2007-021

“Assessment of Renal Disease Progression in Diabetes Mellitus Patients after Short Term Treatment in Mulago Hospital.” Ms.Meeme Allen. Dept. of Medicine, March 12, 2007. IRB#-2007-024

“Malignant transformation Intra- oral papillary lesions diagnosed in the Department of Pathology, Faculty Of Medicine, Makerere University, Kampala.” by Dr. Moses Isyagi Dept. of Pathology March 15, 2007. IRB#-2007-025

“Reproductive Health Survey in the Infectious Diseases Clinic, Mulago Hospital.” By Dr. Andrew Kambagyu Infectious Diseases Institute March 20, 2007. IRB#-2007-028

“Identifying Adherence Interventions for Scale-up in the National ART programme in Uganda.” By Janine Thoullass Department of Medicine March 27, 2007. IRB#-2007-030
“Breast Milk Volume Related to Methods of Breast Milk Expression By Mothers of Sick/ Premature Infants in Uganda.” By Dr. Margaret Nakakeeto Department of Paediatrics, March 29, 2007. IRB#-2007-031

“Correlation between CD4, Total Lymphocyte Count among HIV Positive Pregnant Women Attending the MTCT Follow Up Clinic in Mulago.” By Dr. Michael Bukenya, Department of Obstetrics & Gynaecology April 05, 2007. IRB#-2007-032

“HHV-8 Replication and progression to Kaposi’s sarcoma Africa.” By Dr. Jackson Orem, Uganda Cancer Institute, April 10, 2007. IRB#-2007-033

“Validation of the new WHO Diagnostic Algorithm for Pulmonary Tuberculosis in HIV Prevalent Settings.” By Janine Thoulass, Department of Medicine, April 13, 2007. IRB#-2007-035

“A comparative Study of the Clinical Features of Major depression Among HIV Positive and HIV negative Patients in Butabika and Mulago Hospitals Uganda.” By Dr. Dickens Howard Akena, Department of Psychiatry, April 17, 2007. IRB#-2007-036

“Pathways to Care Among New Episode Patients Attending Psychiatric Referral Hospitals in Uganda.” Dr. Noeline Nakasujja Dept. of Psychiatry April 18, 2007. IRB#-2007-037

“Prevalence of Incident HIV Infection and Associated Factors in Mothers who come for Delivery Care in Mulago Hospital.” By Dr. Julius Simon Otim, Department of Obstetrics & Gynecology, April 19, 2007. IRB#-2007-038

“Prevalence associated socio-demographic factors and antimicrobial susceptibility profile of Neisseria gonorrhoea among men presenting with urethra discharge at Mulago STD Clinic and Murchison- Bay Hospital.” By Dr. Patrick R. Musinguzi, Department of Medicine, April 24, 2007. IRB#-2007-040

“Psychosocial Functioning among Bipolar Disorder Patients in Remission Phase seen in Mulago and Butabika Hospitals in Uganda.” By Dr. Scholastic Ashaba, Department of Psychiatry, April 25, 2007. IRB#-2007-041

“Prognosis of AIDS-Associated Kaposi’s Sarcoma in a Hyperendemic region.” By Dr. Jackson Orem, Uganda Cancer Institute May 04, 2007. IRB#-2007-043

“The Pathogenesis and Predictive Factors for Immune Reconstitution Syndrome in TB HIV co-infected Patients and the frequency of TB IRIS and other adverse events among patients commencing HAART in Kampala, Uganda.” By Dr. William Worodria, Dept. of Medicine May 9, 2007. IRB#-2007-044

“Co-Infection of Malaria and HIV, Humoral and Innate Immune Response.” Dr. Mark Kaddu-Mukasa Dept. of Medicine May 9, 2007. IRB#-2007-045

“Differences in the Health Status of HIV-Infected Children Cared for by their Parents as Compared to those Cares for by their Grandparents.” Dr. Betty Nsangi Kintu Dept. of Paediatrics May 10, 2007. IRB#-2007-046

"Releasing and Building Capacity In Family Medicine at Makerere University.” Brenda Adhiambo Ogembo Simon Fraser University, Canada. June 05, 2007. IRB#-2007-049

“Profiles and outcomes of traditional healing practices of Mental illness in two districts in Uganda” Dr. Catherine Abbo Dept. of Psychiatry June 22, 2007. IRB#-2007-054
